Rebecca,

Yes, it's OK to submit comments on February 18, 2014. However, we are considering a request by California Department of Fish and Wildlife to extend the public review period. I should know more about this tomorrow.

Thanks,

Subject: Soitec Comment due date

Mr. Hingtgen,

According to the Notice of Availability of the DEIR for Soitec, comments are due Monday, February 17, 2014. The 17th is president's day, and I am wondering if this causes the due date to push to the following day, Tuesday, February 18.

Best,

Rebecca Davis
